The Registers of Monk Fryston to 1812 consist of eight volumes; Vol. I. now printed, contains entries of Baptisms, Burials, and Marriages from 1538 to 1678, which were transcribed by the late J. D. Hemsworth, Esq.

The succeeding volumes are now being transcribed, and will appear in a subsequent volume of The Parish Register Society's Publications.

In Memoriam.

John David Hemsworth.

This gentleman was the younger son of Benjamin Hemsworth, of Monk Fryston Hall, by Elizabeth his wife, the only surviving child and heiress of John Bower of Smeathalls.

He was born 4 May, 1851, and was educated at Harrow and Caius College, Cambridge, where he graduated and entered his Name as a Student of the Temple. He took great interest in the Restoration of Monk Fryston Church, to which he gave the Organ. He transcribed this Register and collated the proofs, but died while the sheets were in the press, on 18 February, 1895.
